SIGHTSEEING TIPS

Jewish Cultural Quarter

AT STOPS: 3 4 4

Tip!

Visit the **Jewish Cultural Quarter** with the red, green or blue line. Jewish influence on Dutch history goes beyond Anne Frank's diaries. It's a profound cultural layer intertwined with Dutch traditions and lifestyle. The Jewish Cultural Quarter was home to many Jews before World War II. Besides the Jewish Quarter you may also visit the **Flea Market** at the Waterlooplein or **Gassan Diamonds** which is an authentic diamond polishing factory.

Anne Frank Huis & 9 Streets

AT STOPS: 9 8

Tip!

Get off at the Anne Frank House and combine your exploration of the canals (UNESCO World Heritage!) with a visit to the famous **Anne Frank House** and unabashed shopping in the **9 Streets**. Zigzag across the canals and pass down the Huidenstraat, Gasthuismolensteeg, Oude Spiegelstraat , Wolvenstraat, Hartenstraat, Reestraat, Wijde Heisteeg, Berenstraat and Runstraat. These streets are known for its boutiques, coffee bars and specialty stores.

Museum Square

AT STOPS: 7 7

Tip!

Museum Square is the place to be for a visit to the most famous museums of the Netherlands. At the Museum Square you will find the magnificent **Rijksmuseum**, **Van Gogh Museum**, **Stedelijk Museum**, **Moco Museum**, **Diamond Museum**, **House of Bols Cocktail & Genever Experience** and the **Royal Concert Hall**. But this square offers even more and free entertainment. Picnic on the grassy slope, play football on the lawns, skateboard in the half pipe, explore the Rijksmuseum sculpture garden, relax at a pavement café or sit by the pond. Buy your museum tickets on the bus or boat.
